Cleaning tape for AIT-3Ex drives

Features

Please be aware that the features/specifications can differ from country to country.

- This cleaning tape will provide approximately 80 cleaning cycles.
- Stick labels only in the space provided and do not stick one on top of another.
- Store your cassettes at a temperature of between 15 and 25° C, and at 40-60% relative humidity
- Store your cassettes away from magnetic fields to avoid any risk of wiping data.
